

300 S. 1st St.
Worland, WY 82401
307-347-3261

Journeyman Pipefitter/ Welder

Position Summary:

Review blueprints, plan, install, and maintain piping for Wyoming Sugar Company, a sugar processing facility. This is a full time, dayshift position. Benefits package includes paid vacation, health insurance, 401K with company contribution, and more. We are supported by the local Bakery, Confectionary, Tobacco Workers and Grain Millers International Union, AFL_CIO, CLC and Affiliate Local 279G.

Primary Functions and Responsibilities:

- Inspect workplace, clear obstructions, prepare materials and equipment to work safely
- Study blueprints and plan pipe systems and related equipment for installation
- Use a variety of tools to modify pipes to specifications
- Measure and mark pipes for cutting, threading, and welding
- Secure pipes to walls and fixtures with brackets, clamps, and welding equipment when appropriate
- Complete material requisition sheets to order materials such as pipes, hangars, brackets, etc.
- Repair and maintain pipe systems, supports, and related equipment
- Comply with relevant codes and regulatory standards

Skills and Education:

- High school diploma or equivalent
- Trade school education or apprenticeship
- 4 years' experience as a pipefitter/ welder
- Excellent mechanical and troubleshooting skills
- Experience working with equipment such as boom lifts, scissor lifts, and forklifts
- Ability to prioritize and maintain strong attention to detail
- Ability to receive and follow instructions and communicate with coworkers and management
- Possess current Driver's License and have good driving record

Physical Demands:

- Ability to work inclement conditions including temperatures below freezing and above 90 degrees F
- Ability to lift up to 100lbs
- Driving, walking, bending, climbing, lifting, pulling, and standing for various durations of time are required
