2025 NOVEMBER PAYMENT

Dear Grower,

The first installment of the Initial Payment for the 2025 sugar beet crop will be processed on November 19th. The Master Contract provides for a 60% payment by December 20th of each year. This 60% payment is the "Initial Payment", which has historically been paid in two installments. The amended payment policy provides that the November payment (first installment) is a standard $10.00 per ton, adjusted for quality and includes the pre-pile premium. The only deduction from this payment is for seed loans. The second installment of the Initial Payment will be made on December 20, 2025, and will be based on the Net Beet Payment approved by the Board of Directors and will be in an amount so that the total of the first and second installments are equal to 60% of the approved Net Beet Payment for the 2025 crop.

Our Annual Meeting will be held on December 2, 2025, at the Worland Elks. We will start the meeting at 2:00 pm, followed by a social hour and then dinner. Kelly Craner, Ph.D. Dean of the University of Wyoming College of Agriculture is scheduled to be our Keynote Speaker. Please make every effort to attend the meeting. The Management Team will provide the following reports: Harvest; Receiving; Factory Performance; and Financial. In addition, United Sugar Producers and Refiners will provide us with a Market Report. We will announce our top 10 producers for 2025, plus the member of the 20/40 club. We will also be voting for three seats on the Board of Directors, the three seats up for election are: John Snyder (Washakie County District); Richard Rusell (Big Horn County District); and Bryce Vigil (At Large). All Members vote on each Director regardless of their District. Proxies must be given to another Member who is attending the Annual Meeting and be presented to our staff at registration. Proxies can be found on the Wyoming Sugar Company website or call the office to request a form. Any Member who wishes to run for a seat on the Board may be nominated from the floor, or if they desire, they can email or call me and express their interest by November 30, 2025.

You all should have received a text invite, so please RSVP as soon as possible if you have not done so already. Please make the effort to attend and RSVP, so we can be efficient in organizing dinner.

Respectfully,

Michael D. Greear
